**-- Billtrust Adds Industry Veteran
as Marketing and Sales Vice President --**

-- Thomas A. Scott to Advance Billtrust's Outsourced Billing Strategy --

WINDSOR, NJ, June 7, 2005 – Billtrust, a leader in outsourced billing solutions, today announced that Thomas A. Scott has been named Vice President of Sales and Marketing. In this role, Mr. Scott will be responsible for leading Billtrust's national sales team and communicating the company's vision to the market.

Billtrust innovative outsourced billing solution helps customers reduce operations and IT costs, improve employee productivity, expand marketing efforts, and respond to customer demand for electronic billing options; resulting in higher customer satisfaction and improved profitability.

Mr. Scott will report to Flint A. Lane, president of Billtrust. "We are delighted to have a person of Tom's extensive experience join our team," Mr. Lane stated. "Tom's leadership abilities, accomplishments and strategic sales and marketing skills will position him as a key player in helping Billtrust continue its momentum as a leader in outsourced billing services for businesses throughout the United States."

"I am excited to join Billtrust in this leadership role," Mr. Scott commented. "The company has successfully established itself under Flint's leadership through the development of innovative products and services, the expansion of partner programs, and the creation of targeted vertical market initiatives. With the strongest billing solutions suite in the industry, and an extremely loyal customer base, my objectives are to maximize the company's momentum, ensure that our sales initiatives hit target customers, and catapult Billtrust's growth."

Mr. Scott brings twenty-two years of software sales and marketing experience to his position at Billtrust, having served most recently as Vice President of Direct Sales at FRx Software, a Microsoft company. At FRx Software, Mr. Scott was responsible for managing the direct sales team, overseeing the development and marketing of a key budgeting product, opening ten vertical markets, and building critical business partnerships while working with dozens of

other partners on a referral basis. He led the budgeting software division in individual and team sales for four consecutive years.

Previous to FRx Software, Mr. Scott was executive vice president of ebudgets.com, where he managed sales, marketing, support and consulting. During his tenure, ebudgets.com achieved 400 percent growth in revenues. Before joining ebudgets.com, Mr. Scott was President of ImageScan, where he helped the company achieve become the leader in the wholesale lockbox imaging market while quintupling sales. Mr. Scott earned an MBA from Harvard Business School and graduated with a Bachelor of Arts degree in economics from Northwestern University.
