Invoicing

Streamline and simplify your invoice delivery to improve cash flow

- ✓ Centralize invoice delivery
- ✓ Decrease Days Sales Outstanding (DSO) with automated delivery
- ✓ Shift buyers to faster, more cost-effective channels

Cash Application

Cut costs and accelerate cash flow with automated, confidence-based matching

- ✓ Save time and resources with automation and AI
- ✓ Apply cash faster for exceptions
- ✓ Identify cash flow opportunities with analytics

Collections & Credit

Maximize cash flow through automated, intelligent credit and collections processing

- ✓ Centralize data and automate processes to reduce costs and errors
- ✓ Hedge against risk and identify revenue opportunities with AI insights
- ✓ Personalize and scale collections; streamline decisioning

Payments

Get paid faster and manage costs with highly configurable payments solution

- ✓ Minimize DSO with customizable platform
- ✓ Drive efficiencies with flexible tooling and digital lockbox
- ✓ Serve customers better with a seamless experience

Professional Services

With the help of our experts you'll accelerate time-to-value with a proven AR implementation program. Our Professional Services Organization has identified the critical steps your business should take at each stage, from purchase to post-launch performance and beyond.

Let's grow together

Ready to explore a partnership? Let our team show you what's possible with Billtrust.
